

## **Job Advertisement: Forest Officer Planning (South)**

### **About Us**

Sustainable Timber Tasmania (STT) is responsible for managing approx. 800,000 hectares of public production forests which provide vital environmental, economic and social benefits for all Tasmanians. It is our business to ensure that these forests are sustainably managed for current and future generations.

### **The Role**

The Forest Officer Planning role is responsible for delivering regional wood production plans to meet agreed targets in a safe, commercial and environmentally sound manner.

The successful applicant will join the Production team on a permanent full-time in the Southern region of Tasmania.

### **Selection Criteria**

- Ability to foster teamwork to achieve group outcomes in a safe and environmentally friendly manner
- Demonstrates strong administration and time management skills with excellent attention to detail
- Excellent communication and stakeholder engagement skills
- Able to identify obstacles and opportunities and work with others to resolve problems
- Self-motivated and able to work autonomously to get the job done
- Demonstrates a commitment to safe work practices
- Able to use technology to deliver operational requirements
- Ability to successfully complete the Forest Practices Officer course and achieve accreditation to prepare forest practices plans
- Ability to interpret and apply the Forest Practices Code, Forest Activity Assessments, licensing and permits across the forestry sector
- Ability to participate in firefighting duties (appropriate training will be provided)
- Manual driver's licence

### **Contact:**

For a confidential conversation about the role and to request a copy of the Position Description, please contact:

- Matt Wood  
0438 861 174 or email
